

# BE FALL 2021 PONO

SPREAD ALOHA, NOT GERMS

See complete HPU COVID-19 policy and precautions online.

## MASK UP

You must wear a mask indoors in all campus facilities and outdoors at designated events.

## KEEP YOUR DISTANCE

Maintain social distance in classes and in groups of any size.

## VACCINATE

- With a vaccination, you will help **keep yourself and our 'ohana safer and healthier** as we move closer to the end of the pandemic.
- Comply with applicable University vaccination mandates.

## SCAN AND SCREEN EVERY DAY

Complete your daily health screening questions online and use the thermal scanners when you arrive on campus.

## STAY HOME IF SICK

If you have any symptoms of illness, don't leave your dorm or home. Contact the Health Center, **808-544-9361** or [studenthealth@spclinic.org](mailto:studenthealth@spclinic.org), or your doctor and get tested.

## REPORT ILLNESS & TRAVEL

- If you test positive for COVID-19, have been exposed to it or feel ill, contact HPU Safety and Security, **808-236-3597**.
- Please report personal travel in advance to the Office of International Students and Scholars, **808-356-5299** or [iss@hpu.edu](mailto:iss@hpu.edu). For students residing in campus housing, also let Housing & Residence Life, **808-544-1436** or [housing@hpu.edu](mailto:housing@hpu.edu), know.
